Julie Anne

We will see what we can find. Can we contact TEAC or is this your applicant/assignee?

And we will do a product-NPL search for a floppy drive with the specified description.

Thanks.

Pam

Subject: product information for SN 09624798

Please find me documentation of the **physical outer dimensions** of the following product, wherein the documentation predates year 1999:

Teac product ID 8485
1.2/1.44 MB Combo Dual Floppy Drive
part # FD-505
dual floppy drive which fits in one bay

Also, please find me a single floppy drive with **substantially same dimensions** as above product, before year 1999, preferably around 1995.

Please send me this information before Thursday of next week. Sorry for the late notice.

Thank you,
Julie Anne
